### ADDITIONAL INFORMATION

#### 1. Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

#### 2. General limit of protection

If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank operates under different trading names. Türkiye İş Bankası A.Ş. - London Branch also trades as İŞBANK - London Branch. This means that all eligible deposits with this trading name is in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

#### 3. Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

#### 4. Reimbursement

The Financial Services Compensation Scheme will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request. Again, there are specific exceptions to this obligation.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

#### 5. Other important information
